## Business Administration Certificate Program

Get ahead in business!

The Certificate in Business Administration (CBA) is designed to fit the needs of mid-career professionals, full-time employees and people looking for professional development. Learn about business administration, marketing, technology, and more. The CBA can be taken part-time or full-time, courses are offered on campus, online or through intensive workshops so you can complete the certificate at the pace that meets your needs.

*The support of instructors was going beyond the call of duty. It is clear they love what they do and are excited to share their knowledge to see others succeed.*
